4. (Internal Use - JSW) Called George Murphy of the Joint Committee on Atomic Energy for final arrangements on tomorrow's hearing and furnished him the names of Scoville, [redacted] and myself as those who would be present. Arrangements were also completed for a technical sweep.

5. (Internal Use - JSW) Representative Paul J. Kilday telephoned inquiring if I would meet with [redacted] (Ret.) who is exploring possibilities of employment with the Government. I agreed to do this and saw [redacted] this afternoon, passing him on to [redacted] in Personnel for further interview.

Taking the opportunity, I also mentioned to Mr. Kilday that the Director was very desirous of meeting with him prior to the convening of Congress. Mr. Kilday said he would be most happy to do this. I suggested possibly next Monday and he said that this would be perfectly alright and he would be glad to do it at the convenience of the Director and would I call to confirm the time.
